

As a listener of K-Love Radio Station (100.9 in Tucson) I find that K-Love to be vital in uplifting my spirits, presenting me with Local, National and International News with a Christian perspective and keeping me informed of events available to me in Arizona.

Should K-Love not be allowed to transmit I fear that uplifting and inspirational messages will not reach myself, my children or my friends and the joy this station brings will diminish significantly.

K-Love's service presents hope, peace and joy to Tucson and helps our community face the uncertainty of the near future with faith and knowledge that we approach that future together.

Please contact me directly if I can assist in any way with maintaining K-Love's operating license in Tucson or any other community.

My Best Regards,
Mark Dusek
